Episode 076 – Chris’s Journey (1h40m)

Episode 076 welcomes Chris Jenkins to the podcast to discuss his journey to voluntaryism, with Skyler and Morgan. The topics covered include: Cash Flow, the game, the Robert Kiyosaki and Jeff Berwick encounter, his paralegal career, his K-12 public schooling experience and being labeled slow, forced into Resource classes and not allowed out, his complete disinterest in all things school, his LDS mission to Philadelphia and Dover, his wife and kids, their schooling experience, his neo-conservative days during the 2008 election, first paying attention to Ron Paul in 2012, his interest in affiliate marketing, becoming a libertarian in 2012 and an anarchist in 2013-2014, the attacks he suffered by the City of Bountiful over his rental property, why having people close to you with different opinions can make for enlightening discussions, and his favorite podcasts.
