

Can a Single Parent Unschool?

Guest post by Jan Hunt.

These days, many parents find themselves alone, whether by choice or by circumstances. Many of these parents assume that unschooling is not an option for them, but like many other assumptions, this can be self-fulfilling. Happily, unschooling in single parent families is easier now than it has ever been. With commitment, creativity and support, single parent unschooling can be not only possible, but very rewarding.
