

Just Want to Play

I just want to PLAY!

www.learningandexploringthroughplay.com

I am 4 years old and I want to PLAY!
I don't need a curriculum or
learning outcomes.

I don't need to know the learning
intentions or your success
criteria!

I don't care if what I am doing
matches this weeks topic, or if it's
on the mind map you drew!

I just want to play!
Dirty, Grimy, Messy Play!
Silly, Pointless, Noisy Play!

I might not even share!
I just want to PLAY!
