

# Monopoly on Guns

Nobody asked but ...

Ok, which government should have a monopoly on guns? And should it also have a monopoly on phones, televisions, travel, relocation, books, newspapers, reproduction, and so forth?

Is it the government that also accomplished:

- the Kent State Massacre
- the Bonus Army Dispersal
- the Whiskey Rebellion quashing
- the Sand Creek Massacre
- Waco
- Ruby Ridge
- LaVoy Finicum
- Mankato, MN
- the Trail of Tears
- the trials and hangings of the Molly Maguires
- the My Lai Massacre
- The giveaway of Eastern Europe
- the list goes on ... ?
