

Welcome, Alex!

I want to welcome Alex R. Knight, III to EVC! (As a blogger.) He's a veteran in the voluntaryist movement, writing and blogging for Strike-The-Root.com ([archive](#), [blog](#)), C4SS.org ([archive](#)), and DailyAnarchist.com ([archive](#)). A student of American terror-fiction author Edgar Allen Poe (among others), he's published two collected works of short stories titled *Tales From Dark 7* and *Victoria's Place and Other Tales of Terror*. I've read the latter and was quite impressed; looking forward to reading the former. Perhaps he'll try his hand at voluntaryist fiction one day *wink*. His journey toward freedom was re-posted at EVC a year ago, found [here](#).

Skyler.
