

Lookism, Colonizing Mars, Expectations, Gender Expression, & Egalitarianism (25m) - Episode 270

Episode 270 has Skyler giving his commentary on the following topics: what lookism is and why it's absurd; his view on colonizing Mars and the space program; why parental expectations of children should begin and end with joy; the infinite number of genders in the world; why markets are best suited toward bringing about egalitarian ideals; and more.
