

An Alphanucklet List

Nobody asked but ...

One of my bucket lists:

Ask

Be kind

Cry

Don't run for any office

Eat

Freedom is always a goal

Generations are artificial divisions

Happiness is undefinable but reachable

Imagine

Joy is always a goal

Kids, be with them, love them

Laugh

Momentum is tricky

No retirement

Open your mind

Pass the gravy

Quit kvetching

Rest if you need to, but think

Spend time ... it flies anyway

Tolerate

Universality

Veracity

Willingness

Xylophone, or some other musical thing

Your principals

Zabaglione
