

An EVC Podcast!

I'm super excited to announce the launch of the Everything-Voluntary.com Podcast, hosted by yours truly and Phil Eger. Phil's a fellow voluntaryist unschooler in the Salt Lake valley and offered his recording expertise to help spread awareness of the topics covered at EVC. We recorded our first episode last night. It will be made available as soon as its editing is done. I hope you like our informal, conversational style. We really want our true personalities to come through. Stay tuned!

Skyler.
