

Anarchy, Never Been Tried?

The below is an excellent six-part series exploring a number of anarchistic societies throughout the world both in the past and in the present. Written by Daniel Hawkins.

Part 1 - Moresnet (Europe)

Part 2 - Emerald Anarchy (Ireland)

Part 3 - Fire and Ice (Somalia, Iceland)

Part 4 - In the Beginning (Jericho, Çatalhöyük, Harappa)

Part 5 - Anarchy in the USA (Pennsylvania, Ohio)

Part 6 - The Living Anti-Nation (Southeast Asia)

He includes sources for further reading at the end of each essay.

UPDATE: Here's another one, by Anthony Caprio, titled, "The Anarchist Republic of Cospaia".

UPDATE: And another one, by Chantal K. Saucier, titled, "Acadia: Peaceful, Prosperous, Stateless"
