

# Anna Friel

Nobody asked but ...

If you ever want to see how truly wonderful and varied life in this moment can be just look up views of your heartthrob under the “Images” link of Google. My favorites vary from day to day, but will range from Natalie Wood to Anna Friel to Cate Blanchett to Kay Francis to Shirley MacLaine to Diana Rigg to Halle Berry.

These people are not equally beautiful ... they are not equally anything. Day to day, each is infinitely varied.

Look with me at Anna Friel. What a lovely! What an infinity of loveliness. I became attracted to Anna first as ‘Chuck’ on *Pushing Daisies*.

Fall in love with life. Fall in love with the moments. Fall in love with infinity. Pay no attention to the man behind the curtain. Pay no attention to the curtain.
