Knight III to chat with Skyler on the following topics: teaching social studies, English, and Spanish at a private sports academy; teaching future Olympic medalists in winter sports; why his social studies curriculum probably wouldn't fly in public schools; the Tuttle Twins (and ATKE.org); "Great Myths of the Great Depression" by Lawrence Reed; the level of propaganda around COVID-19; why government parasites are always short-term thinkers; the fact that most people simply don't care, and why should they?; the Voluntaryist vs. the Stoic in each of us; finding liberty in physical, entrepreneurial, and technological frontiers; finding helpfulness and community in relatively freer rural areas; his lamentations on a Biden presidency instead of 4 more years of Donald Trump; and more.
