

Banning TikTok, Australian News, & Soviet China (32m) - Episode 342

Episode 342 has Skyler giving his commentary on the following topics: The Trump Administration's threat to ban social media app TikTok, where that draconian authority comes from (the obviously unconstitutional IEEPA) and Microsoft's plan to purchase it; Australia requiring companies Google and Facebook to pay licensing fees for sharing news headlines from Australian news sources; and China blocking Hong Kong citizens from leaving with a British overseas passport.
