

Celebrity Presidents, Voluntary Governance, & Benign Bigotry (28m) – Editor’s Break 047

Editor’s Break 047 has Skyler giving his commentary on the following topics: celebrities like Oprah Winfrey and Dwayne Johnson running for President of the United States, the importance of governance in a voluntary society, what “duly elected” means and non-voters being credited for a vote of non-confidence, dealing with anger, especially as it concerns raising children, and why attacking bigotry should take a back seat to attacking prickish behavior and violence.
