

Chris J. Returns, Psychedelics, VP Debate, & 3-Pole Political Polarization (58m) – Episode 397

Episode 397 welcomes back Chris Jenkins to chat with Skyler on the following topics: Amazon package delivery woes; CBD and health supplements; use of psychedelics like ketamine and psilocybin (magic mushrooms); Vice Presidential debate in Salt Lake City; Trump's pummeling of old-man Biden; being woke or red-pilled, and where Skyler would be had he not discovered economics and libertarianism 15 years ago; their new thesis that the political polarization that has occurred the last 20 years has been not been 2-poled, left vs. right, but rather, 3-poled, left vs. right vs. disillusionment; whether being ignorant of economics or being a Keynesian/Marxian is worse; and more.
