

Episode 068 – Branden’s Journey, and Freemasonry (1h31m)

Episode 068 welcomes Branden Espinoza to the podcast. Branden talks about his transition from hardcore conservative to voluntaryist. Topics include his individualism-based scouting experience, exposing government pollution as a youngster, his transition to adulthood while lifeguarding and attending Cornell University, his church mission, and finishing school at BYU, and his involvement with freemasonry and what it meant to his journey to voluntaryism.
