

Experts, Marijuana, Jesus Christ, Factory Farming, & Reconsidering Our System (29m) - Episode 434

Episode 434 has Skyler giving his commentary on the following topics from r/blackpeopletwitter and r/whitepeopletwitter: the dangerous stupidity of using experts (who always disagree) to make public policy; agreeing with Rep. Ilhan Omar that it's time for the Feds to decriminalize marijuana; whether Jesus counseled people to take care of the poor or needy, or to outsource that to government; agreeing with Senator Cory Booker's call to phase out factory farming; and the need to reconsider our entire economic system.
