

Free Will, Hypocrisy, Peaceful Coexistence, & Ideas vs. Incentives (45m) – Editor’s Break 054

Editor’s Break 054 has Skyler giving his commentary on the following topics: why he’s been recording fewer episodes lately, corruption among political leaders, distasteful implications of the absence of free will, hypocrisy by Judge Katherine B. Forrest, who put away Ross Ulbricht of the Silk Road for life, the necessity of non-aggression toward the goal of peaceful coexistence, why incentives matter more than ideas in steering society, the high price that must be paid to satiate bigotry toward foreign immigrants, and more.
