

Gillette Social Justice & An Attack on Voluntaryism Rebutted (40m) – Episode 269

Episode 269 has Skyler giving his commentary on the following topics: the new Gillette commercial admonishing men to be better men, in part by keeping other men under control; the patriarchal undertones of the Gillette commercial; the unfortunate oversights of not including women (mothers) in their admonishment in how boys are raised and the absence of striking the root issue of violent and coercive parenting practices; the claim that voluntaryism is “exploitation pretending to be anarchism”; where left anarchists make major mistakes in their critique of voluntaryist and anarcho-capitalist theory; and more.
