

Jeffrey Tucker Endorses Everything Voluntary

“This collection is especially valuable because it comes from the mind of someone who became convinced of the case for liberty — and so we have here some of the most intellectually compelling literature of the modern libertarian world. The application to family life presents a serious challenge even to those who embrace political and economic liberty, but puzzle about how to apply these principles in their own life. In this, there is a collection about high thought and real action, and that’s a beautiful combination.” - **Jeffrey Tucker**, author of *It’s a Jetson’s World* and *Bourbon for Breakfast*, executive editor of Laissez Faire Books, and former editorial vice president of the Ludwig von Mises Institute.
