

Jonathan Blanks: The Problem of Police Misconduct (50m)

This episode features an interview of criminal justice researcher Jonathan Blanks from 2015 by Trevor Burrus and Aaron Powell, hosts of the Free Thoughts podcast. They discuss civil liberties and police misconduct in America. Is there an upward trend in incidents of police misconduct, and if so, why? Is this just a few bad apples, or something more integral to the nature of policing in America? Just how dangerous is it to be a law enforcement officer in America? Dangerous enough to justify the military hardware the police seem to enjoy using so much?
