

Michael Malice: North Korea 101 (48m)

This episode features an interview of author, podcaster, and celebrity ghostwriter Michael Malice from 2017 by Trevor Burrus and Aaron Powell, hosts of the Free Thoughts podcast. What's North Korea like? Do the people there really believe the popular legends we've heard about the Kim family? Which is Kim Jong-un: a spoiled heir to a political dynasty, a paranoid lunatic with a big gun and 25 million hostages, or a coldly rational devious mastermind? Perhaps some combination of all three?
