

## Milton Friedman: Myths That Conceal Reality (54m)

This episode features a talk by economist and Nobel Laureate Milton Friedman from 1977. He explores five economic myths that cloud our perception of both the past and the present. Those myths include the Robber Baron myth, the Great Depression myth (from a Chicago School perspective), the expanding government myth, the “free lunch” myth, and the government as Robin Hood myth. Purchase books by Milton Friedman on Amazon [here](#).
