

Peter Leeson: Can Anarchy Work? (49m)

This episode features an interview of economics and law professor Peter Leeson from 2017 by Trevor Burrus and Aaron Powell, hosts of the Free Thoughts podcast. They discuss rational choice theory as it applies to self-governance. What happens in the absence of government? They also discuss the difference between government and governance, what it means to be stateless, and how anarchy is perceived in the world today.
