

Pot Meet Kettle, Kettle, Pot

Nobody asked but ...

It seems odd that associates of one political party will regard members of opposing political parties as though they have character defects. Fair enough, they are humans therefore ... defects. But one of the biggest defects, of course, is being a member of a political party at all. The phrase, “_____ party” works well with democrat, republican, libertarian, but it also works with communist, nazi, and know-nothing.
