

Price Inflation, Halloween, Old Politicians, Burning Businesses, & Law Enforcement (30m) - Episode 413

Episode 413 has Skyler giving his commentary on the following topics from r/blackpeopletwitter and r/whitepeopletwitter: why stuff costs so much more now than they did in 1965; whether we should talk about Halloween parties or put all our focus on COVID-19; who cares how old modern politicians are when the problem is their power; this asshole who doesn't care when businesses are looted and burned so long as it's done in the name of racial justice; when cops say they don't make the laws, just enforce them, but also say they won't enforce social distancing and gun control; and the problem of law enforcement that has nothing to do with national elections.
