Nobody asked but ...

Isaac Newton said, “If I have seen further it is by standing on the shoulders of giants.” He might add today, “But the smoke generated by bureaucracy makes it difficult to see very far.” But he did see the fog long ago when he ventured “We build too many walls and not enough bridges ... ”

OK, modern world, it’s time to recompense Newton for all that has since been fashioned by standing on his shoulders. Look around you and see what was made conceivable by this giant.
