

Self-Defense, Modern Capitalism, Tax Cheating, & Bait and Switch (32m) – Episode 390

Episode 390 has Skyler giving his commentary on the following entries to r/shitstatistssay: RustNeverSleeps77 writes, “Breonna Taylor’s boyfriend shot at them, and they returned fire. It was reasonable self-defense...” (Full thread here.); Foucelhas writes, “Modern capitalism would not exist without slavery and genocide.”; DoverBoys writes, “You’re supposed to pay taxes. You’re not ‘smart’ to get away with paying little, you’re just cheating the system. A real supporter of their country would pay taxes. That’s what makes countries work.”; Aditya writes, “We as a society can’t live in a vaccum and isolated from each other (unless you are a part of some tribe living in Andaman or Amazon). Some things are best provided collectively, for they are cheaper and efficient that way.”
