

Socialist Policing, Slave Haunting, Monica Lewinsky, Enabling Trump, & Fusion Movement (31m) – Episode 396

Episode 396 has Skyler giving his commentary on the following topics from r/blackpeopletwitter and r/whitepeopletwitter: the problem with determining how long police officers should be trained before given a badge and gun; Donald Trump dying and haunting the White House along with the ghosts of the slaves who built it; Monica Lewinsky's willingness to "take one for the team" and give Trump a blowjob in the Oval Office; Booger says "To hell with [Trump] and all those who enable him." and I agree; why only a fusion movement can stop authoritarianism, and why that's a bigger problem than white supremacy.
