

Stephan Kinsella: Property, What It Is and Isn't (1h31m)

This episode features a lecture by libertarian theorist and patent attorney Stephan Kinsella from 2017. This talk sets out the framework for how to view property rights in general and then finally turns to intellectual property. The main talk lasted for about the first 30 minutes; the final hour is questions and answers. Purchase books by Stephan Kinsella on Amazon [here](#).
