

# Ten Ways To Confuse a Child

*Editor's Pick. Written by Vickie Bergman.*

1. If he's yelling, yell at him: STOP YELLING! IT'S NOT NICE TO YELL.
2. Tell him never to talk to strangers because it's dangerous, but then tell him he is rude when he won't say hello back to the cashier at the grocery store.
3. Tell him he should never let anyone touch him if he doesn't feel comfortable, but then don't intervene when his aunt, who he sees once a year, hugs him against his will.
