

The Mount Rushmore of Voluntaryism

Nobody asked but ...

I recently read a fascinating article, listing the Mount Rushmore for each MLB franchise. For examples, the Bosox had Williams, Yastrzemski, Martinez, and Ortiz; the Cincinnati Reds had Rose, Bench, Larkin, and Votto; the Giants had Mathewson, Mays, McCovey, and Bonds.

The article inspired me to design my versions of two monuments elemental to Voluntaryism.

Mount Classical Liberalism:

- John Locke
- Frederic Bastiat
- Lysander Spooner
- Thomas Paine

Mount Modern Voluntaryism

- Ludwig von Mises
- H. L. Mencken
- Murray Rothbard
- Robert Higgs

Enjoy.
