

The Solution to Gun Control

Written by Michael Eliot for The Voluntaryist Reader.

With all the (nauseating) discussion I have seen on the inter-webs and in real life, back and forth, about what could be done, should be done, will be done in response to yet another horrific school massacre, I would like to paint a picture of possible responses were we living in a free society. And the interesting thing is that everyone gets to have their own way.
