

The State Is Our Church

Written by Bryce Beattie for LewRockwell.com.

It seems to me as if most of the citizens of the United States of America have stopped worshiping the god they claim to worship. Instead, they worship a bizarre and amorphous group of men and women we refer to as “The Government” or “The State”, hereafter called by me Thestate. That’s right, we as a people worship Thestate as our god. Don’t believe me?
