

There Is No Political Solution

Editor's Pick. Written by Michael Suede.

In the end, there are only technological solutions.

That means you don't have to worry about politics as long as technology keeps progressing.

Politics is a problem. Technology finds ways of eliminating problems.. ALL problems.

Got a problem moving things? Man invents the wheel. Got a problem adding things? Man invents the calculator. Got a problem with people forming violent groups in order to seize each other's property for their own ends? Man invents....(still working on the problem.)
