

# Trump's \$750 Payment to Society's Enemy

Am I bothered that Donald Trump *only* “paid” \$750 in taxes in some specific years?

That's like asking if I'm bothered that some billionaire *only* donated \$750 to ISIS, Antifa, or to the KKK.

Or, like asking whether I'm bothered that someone *only* gave a mugger \$750 rather than the million\$ the mugger would have preferred.

I'm more bothered that the bad guys got *any* money from him. I'd rather he'd “paid” them nothing.

Taxation is theft, and theft is wrong no matter who it victimizes. I don't want Kamala Harris to “pay” any taxes. I don't even want Hillary Clinton to “pay” any taxes.

Money kept out of the hands of The State- society's enemy— is always better than money going to The State, even if it's in the hands of someone I can't stand who I believe will use it for evil. I *know* The State will use it to violate life, liberty, and property- that's just a given because that's what it has always done and what it always does.

I'm glad for *anyone* keeping their money from The State.
