

Voluntaryist Voices by EVC

Nobody asked but ...

Have you noted Voluntaryist Voices by EVC? This is one of my favorite features on EVC. Thank you, Skyler, for doing the research on the availability of gems such as

- Jason Brennan: Is Democracy Just?
- Michael Malice: North Korea
- Anthony Gregory: The Total State
- Donald Boudreaux: Resisting the Growth of Governments
- Alfie Kohn: Unconditional Parenting
- Andrew Napolitano: How the Courts Killed Natural Law

... and many more. There's a Voluntaryist's education, right there. I try to listen every morning when I am shaving and showering.
