

Walter Williams: American Contempt for Liberty (56m)

This episode features a discussion with economics professor Walter Williams from 2015. Throughout history, personal liberty, free markets, and peaceable, voluntary exchanges have been roundly denounced by tyrants and often greeted with suspicion by the general public. Unfortunately, argues Dr. Williams, Americans have increasingly accepted the tyrannical ideas of reduced private property rights and reduced rights to profits, and have become enamored with restrictions on personal liberty and control by government.
