

Words Poorly Used #6 and Unused

Did you know that FDR did not use the words *free*, *freedom*, *liberty*, or *individual* in his first inaugural address in 1933? He did use words like *fear*, *terror*, *nameless*, *unreasoning*, *unjustified*, *paralyzed*, *withered* ... in the first two paragraphs! Is it a coincidence that the state took an iron grip on the lives of people in the US in the following decade?
