

Yalta Bibliography I

Nobody asked but ...

The Yalta Conference of 1945 has been shrouded by inattention from mainstream historians. As I find writings on this neglected but critical point in history, I will share the references here in this Blog.

Seventy years ago, during the week of February 4-11, 1945, the most momentous conference of the Second World War was held at Yalta in the Crimea between Franklin D. Roosevelt, Winston Churchill and Joseph Stalin. Their decisions have affected much of the world ever since.
